

Edison Robot TECH Kit Contents

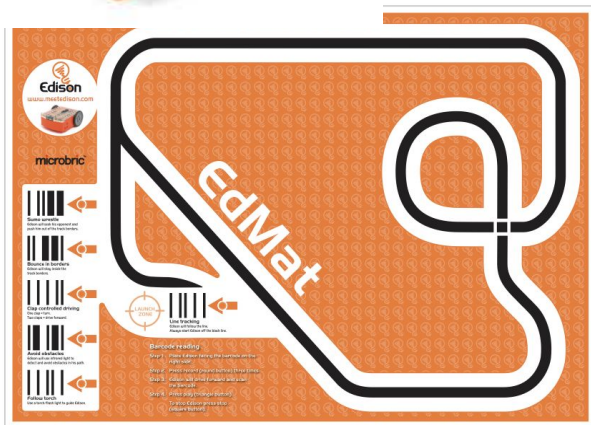

Greetings adventurer! We're so glad you borrowed the Edison robot! We hope you take Edison on many adventures. We kindly ask that you please treat Edison and his accessories carefully so they will last for years to come. If something from the kit becomes lost or damaged, please let one of the librarians know.

When you're done with Edison please place the following items back into the backpack and return to the Effingham Public Library at 30 Town House Road Effingham, NH. Please do not put the Edison Robot Kit in the book drop.

Edison Robot Kit Contents Include:

1. One Edison Robot (batteries included) in his box.
2. One grey EdComm programming cable.
3. One laminated EdMat
4. One laminated "Tips on using and taking Care of Edison" sheet

Note: Please do not put the Edison Robot Kit in the book drop.

The Edison Robot is intended for ages 4 and up.
Replacement cost for Edison Robot kit \$85.00

Kits can be returned to Effingham Public Library
30 Town House Road Effingham, NH 03882 603-539-1537
