

# Metal Detector TECH Kit Contents

Greetings explorer! Thank you for borrowing the metal detector. We hope you find lots of treasures! Listed here are the items that belong in the metal detecting kit. When you're done unearthing treasure, please return all kit contents to the Effingham Public Library at 30 Town House Road Effingham, NH. Please do not put the metal detector in the bookdrop.

We hope that you'll have a blast exploring with the metal detector kit. We kindly ask that you please treat this kit with care so that it lasts for years to come. If a kit item becomes lost or damaged, please let a librarian know. Happy treasure hunting!

1. Metal Detector with detachable armband
2. National Geographic "Metal Detector Instructions and Learning Guide" Book
3. Field compass in bag
4. Green mini trowel
5. This "kit contents" page

**Note: Please do not put the metal detecting kit into the bookdrop. Thank you!**

Replacement cost for metal detector kit \$70.

Kits can be returned to Effingham Public Library  
30 Town House Road Effingham, NH 03882 603-539-1537
